Hello Arturo,

Yes, lets avoid installing during these protests.

We agree with you. It will definitely be a good idea to meet and discuss further the installation schedule anticipating the installation will be soon.

Do you think you can schedule a meeting for next week so we can discuss more in details? Thanks Arturo.

Hi Rodolfo,

Thank you, looking forward to a short week.

I have not heard back from the Council Office, but that may be a good thing. Anti-Gentrification advocates are planning protests during the thanksgiving holiday, so we need to avoid destruction to the tiles.

That's why I have suggested a strategy meeting to discuss installation. The tiles will get damaged.

Please advise and I am happy to coordinate.

Thanks

Hello good morning Arturo I hope you are having an excellent day.

I just wanted to follow up in regards to the request you made to the Council District in regards to working on the Moratorium. Any updates yet?

Hi Austin,

I have asked the Council Office about the exemption to work during the holiday moratorium.

I will keep you posted.

Hello Bill,

Would it be possible to receive an exemption from the Council Office to work during the holiday moratorium?

The team is waiting to hear back on the slip test results this week, and considering the moratorium approaching, an exemption may be needed so the tiles can be installed during that time and avoid safety concerns with the wood cut outs.

I was told by Austin with LADOT, that an exemption comes from the Council Office.

Please let me know if you need any information.

Thanks
